DETAILED ACTION

Terminal Disclaimer

1. This is in response to amendments and terminal disclaimer filed on 8/5/2005 in which claim 2-22 are pending. Applicant's argument have been fully considered therefore this case is in condition for allowance. In addition the pending claims have been renumbered as 1-21 respectively.

Information Disclosure Statement

2. The references listed in the Information Disclosure Statement filed on June 2, 2005 have been considered by the examiner (see attached PTO-1449 form or PTO/SB/08A and 08B forms).

Allowable Subject Matter

3. Claims 2-22 are allowed.

The following is statement of reason for the indication of allowance: Prior art teaches a method for communicating information representative of a number of a mobile telecommunication system. However, the prior art fails to anticipate or render obvious the following recited features: selecting one or more midambles from a set of available midambles in accordance with a value of binary element of a binary word representative of said number, where said available midambles are shifted versions of a basic midamble.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Citation of Pertinent Prior Art

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Hottinen et al. (U.S.Pat-6167038) discloses Data transmission method, and a cellular radio system.
